2015 Designs

Description

Claire Jane comes up with unique designs to add to her collection of graphics periodically. So far in 2015 she has added two original designs to her collection: International Guitar and USA Flag Cross & Skulls.

Graphics & Designs

All ICJUK designs are created to bring out the “Rock Star” in everyone. These designs were quickly recognized by some very real “Rock Stars” and have been worn on and off the stages, throughout the world.

Sizes fit infants, juniors, women, and men and in a variety of styles to fit anyone's look. From classic cotton tee shirts to super soft dolmans and hoodies, these designs are the perfect compliment to any wardrobe.

The exclusive designs offered by ICJUK are printed using a ‘Discharge’ process which used Lead Free and Water Based inks. This type of print process of colored inks may vary slightly in colors. Quality materials mean that products start soft and only get softer with each subsequent washing, which adds to the ‘vintage’ look of each piece.
